CORPSE

NO LEADERS
NO HEROES
NO FUCKING WARS

CORPSE we formed in late August 1982 and the reason was to ease the boredom and play Punk, but the main reason was to help spread the message of ANARCHY, PEACE and FREEDOM as its something we're really into.

Our line-up then consisted of WEEDY—vocals, GINGE—drums, LANX—bass, and RICK —bass (he was stand-in as he plays bass with Two Fingered Approach)

So we played our first gig with a two Bass line-up and we supported T.F.A. and D.I.R.T. This line-up then changed for the third gig, when HILLY came into the scene and he joined as Guitarist—so the line-up was then vocals, bass, guitar, drums

Hilly then left after four gigs and the next Guitarist was HIBBS which completes our present line-up.

WEEDY—Vocals, HIBBS—Guitar, GINGE—Drums, LANX—Bass,

We've now played 11 gigs with such groups as D.I.R.T., XPOZEZ, DEAD MANS SHADOW, and most of the local groups + SOB MONANS.

We now have a joint 9 trak cassette out with TWO FINGERED APPROACH, it comes complete with a booklet, lyrics, stickers, and all enclosed in a box.

The price is £1.25 plus a S.A.E. The price as to be that much because the tapes cost that as we've had them recorded at the studios so no quality is lost

2 minutes of hate

Since the group started in 81 we have had 2 changes. We originally started with 2 guitarists and no bassist, but when one of the guitarists left we decided to get a bass. He lasted 9 months leaving after our 2nd gig. He was soon replaced by Paddy, who is still with us. We have only done 4 gigs. 1 charity gig as it is quite hard for a group to get gigs in Leeds outside the pub circuit which i would never do, i would much rather play 1 youth club every 2 months than 1 pub every fortnight. Though this doesn't mean we won't play in pubs, we just won't play at places where people go to the pub and a group happens to be on, rather than people going to see a group and it just happens to be in a pub if you see what i mean.

Out of our beliefs the subject i feel strongly about (as i'm sure Mick our guitarist does) is that of animal abuse, in all aspects ie. being used for food, clothing, experiments, hunting, etc. If you would like more info on "2 minutes of hate", contact [redacted]; 69 cross flats avenue, beeston, leeds, 1511 7bh. they have a tape available which comes with a lyric sheet, for a blank tape and sae or 80p and sae.

I would like to thank knat for answering the following questions.

1) YOU ARE AN ALL GIRL BAND, BUT ARE YOU A FEMINIST BAND

We are just 3 individuals who just happen to be girls we do not catergorise ourselves, we all have our own views.

2) I LIKE YOUR SLOGAN BUT EXPLAIN FURTHER WHAT IT MEANS

Well if we want a better peaceful existance there should be no age, class, colour, or fashion barriers the Asylum is the world.

3) WHAT KIND OF MUSIC ARE THE BAND INTO.

Mainly punk, but i like Suzi Quatros brand of tongue in cheek rock, I suppose she influenced me since i saw her on T.O.T.P. in 73 and i thought if she can do it i can too.

4) HOW MANY GIGS HAVE YOU DONE TO DATE.

One so far, at this all girl weekend do, 40 people at Norton Bury A/C in Letchworth 12.2.83, great laugh it was a real good party atmosphere.

5) WHEN DID YOU FORM AND WHY.

We formed with the present line up in nov 81 but az and i had been in a band previously, we formed cos it was something to do and we love to play gigs.

6) ARE YOU LIVING TOGETHER OR SEPERATLY.

Az lives at home with her parents. Anne farts about here NOW & THEN live, at home with MY parents, dog, gerbil, and hedgehog called aswald. Az has a hamster called sid.

7) WHAT DO YOU THINK OF FEMINISTS.

Its up to them, the individual if you really believe in something then that person they must be right or wrong.

8) WHAT DO YOU THINK OF ZINES.

Really great but there are some really crap ones.

9) WHAT ARE YOUR PLANS FOR THE FUTURE.

TO GIG, RELEASE DEMOS, EPS, LPS, REACH FAME AND OLD AGE.

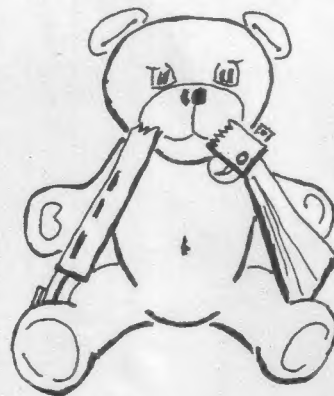

STATEMENT

OK, YOU THINK THAT MORE OVER PAGE. IT VERY GOOD AT THIS GIG, WELL, WE KNOW WE COULD HAVE PLAYED ALOT BETTER BUT THE MOST IMPORTANT THING ABOUT IT WAS THAT WE GOT ACROSS TO AN AUDIENCE WHICH WASN'T FULL OF SPIKEY TOPS. WHAT PUNK HAS BEEN ATTEMPTING TO DO FOR YEARS WE POSSIBLY ACHIEVED IN ONE EVENING. AND THAT'S GOOD.

NO GOVERNMENT
CAN EVER GIVE
YOU FREEDOM.

The band first formed in 79 and has
held the present line up for the last
3 years, although we have had a female
vocalist edition to the band in the last
couple of months. We have strong anarchist
views and also oppose vivisection
on as a band we believe that it is up
to every individual to reclaim and take
control over their own lives and have
the responsibility for their own actions
and if we can achieve this as individuals

we are better equipped to understand others. As a band our influences originally
came from early punk but has also progressed in our own individual sound. Our
plans for the future include a possible lp at the end of the year, we are also
doing a tour of Scotland with flux, system, and andy T, in mid april. Then later
in the year we hope to do more gigs in England. We are hoping to get some money
together to turn our practice place into a centre where people can discuss
things to do do fanzines, and organise events so we have plenty to do outside
the band. Our track on bullshit detector came about by taking a tape we had
recorded down to crass and then putting a track off the tape on, but
since then our music and lyrics we think have progressed somewhat.
Our single on crass expresses our opinions on things we feel strong
about and we are pleased how the single turned out.

We've Had Several Line up changes~the Latest being that OUR Most TRUely dedicated BASSIST STEPH SLASH (ALIAS~the OH so Pathetic Poetess) HAS LEFT us! ALIAS, NOT to WORRY~the WOMB HAS NOT COLLAPSED ON ITS KNEES - NO NO, the HAGARS ARE HERE. the HAGARS WILL stay and the HAGARS WILL never ever go away (just a pleasant THOUGHT to HELP you THROUGH your DAY) The Latest Piece of talent THAT VERY WILLINGLY (after 5 minutes of Deep MEANINGFUL CONVERSATION WITH CHRIS) joined the HAPPY HAGARS is MITCH of SNORKMAIDEN fame.

AS FAR as the BANDS VIEWS ARE CONCERNED, each MEMBER has their OWN INDIVIDUAL OPINION -S ON VARIOUS TOPICS ie:- Some believe in the PRINCIPLES of @ but others dont believe it would WORK.... ONE SUBJECT ON WHICH the BAND IS UNITED IN CONDEMNING IS WAR/WEAPONS/VIOLENCE.. FEMINISM seems to be A POPULAR CATEGORY WHICH HTW ARE THROWN INTO. UK

The band (uk anarchists) were formed on January 1st 1982. There has been many changes in the line up of the band but its more steady now although our drummer lesley has left the band, so were in the shit until we get a replacement. Lesley meant a lot to the band apart from she was an excellent drummer, the reasons for her leaving the band are so shit i wont mention them, i dont really know anyway, tough shit trying to create something innit. Well we are all from livingstone its a right fuck of a town, very violent, but were survivors, theres nothing to do in livingstone its really boring. I suppose thats why the uk. anarchists formed out of boredom and anger. The present line up of the band is ; EKY-BASS, FRANK STEIN-VOCALS, ANGIE-VOCALS, and DREW HEGGIE-LEAD GUITAR, and still no bloody drummer. We have no influences as a whole band we have individual tastes in music. DREW IS INTO-PIL, BANSHEES etc, EKY IS INTO-FLUX, CRASS, EXPLOITED, BLITZ, DIRT, etc, FRANK'S INTO-CRASS, FLUX, DIRT, DK'S, etc, ANGIE IS INTO-U2, CRASS, 60'S STUFF.

We all have different tastes in music which makes a good combination as a whole band, which makes us original. We have about 15 songs in our sey 5 of which are on demo 2. We have no plans for the future because any plans we make get fucked up by someone. Our dreams are to gig all over the uk and get a record out, and i suppose if we get a drummer soon. We believe in ANARCHY/PEACE/TRUST/FREEDOM/ANTI-WAR/ANTI-NAZI/ANTI-VIVISECTION/ANTI-SEXISM AND EQUALITY. You mustnt say that we are another crass band, cos we fucking are not. We are not taking sides in crass anti-war, and exploited chaos. Crass and exploited are really good bands, we think its so fucking poxy dividing the punk scene, its usually there followers who split us up into crass, exploited etc. And not the bands, why should we slag each other of ???????. Whats wrong with liking both bands, they are both punk and anti war so why the dividing lines made by the followers and poxy papers like sounds. We respect both crass and exploited ~~now~~ now who is gonna slag US of about that then ? poxy cunts, wake up, get together. We are all in the same boat.

ANDY T. / ANARCHIST - POET -

we wait in silence -

121984

In the dusty frontroom, an old man sits quietly alone. The 4 walls are completely covered with wooden shelves, on every inch of valuable shelf space there are books, old tatty books. Thousands of dog eared, moth eaten books. No sunlight penetrates the dark room. No sunlight has ever shone on the four cluttered walls. The old man hasn't left the room for about 5 weeks now. His frail body is very thin through lack of nutrition he is patiently waiting.... waiting for something he will most probably never see... on the bare wooden floorboards lies one book. The book is about the future... a specific time in the future..... 1984.

The old man is society.... the room is the world... the book our fears. We sit alone in silent frustration waiting for the fateful date. One man's predictions in a fictional story, dictate our lifestyle, what will happen in 1984? So near yet..... so near.... thought police knocking at the door... tv cameras on the walls? ... ministry of love which deals in war...? ... the authorities have the powers to enter our homes whenever they wish... we are powerless to stop them... Modern technology enables the authorities to keep track of the every move of everybody in the uk computerised files... cameras surveying warehouses, office blocks, market shops, bus stations, tower blocks.... The ministry of employment deals in unemployment..... so near yet..... SO NEAR

Those who pose a threat, no matter how small, to the stable balance of power over the people, are checked, double checked, surveyed, followed, detected inspected and watched. Who would care if I disappeared tomorrow without trace? Those close to me would endeavour to find out what happened.... The authorities would co-operate... plead ignorance... "but it couldn't happen here" "...Chile maybe.. "but not here". Not in great Britain". Whose to say it doesn't happen already? Whose to say it won't happen to them. NO PROOF... The powers that be are stupid TRACES ARE DESTROYED COMPLETELY.

In large houses in the country. Innocent looking large homes of rich families strange people are imprisoned for life. Their only crime is physical or mental deformity. Thousands of living breathing human beings, who never see the light of day. Who no one of the few will ever come in contact with. These places are not figments of my paranoia... They exist, secret prisons full of strange people... Strange only because we fail to understand them.... Refuse to understand them... Insanity is only another form of sanity our minds fail to comprehend..

I SIT ALONE QUIETLY WAITING FOR SOMETHING TO HAPPEN IN 1984.
